Engage, Enrich, Empower

- ▶ **Expand** productivity through a new perspective
- ▶ **Strengthen** community and maximize employee engagement
- ▶ **Build** rock-solid teams
- ▶ **Boost** loyalty and commitment

Nancy Solari is uniquely positioned to offer business owners exclusive tools to catapult their companies to the next level of productivity, employee engagement, and financial success.

Nancy earned a BA in broadcasting and psychology, worked for **Good Morning America** and **Entertainment Tonight**, was a successful Realtor in California, and is currently a thriving business owner. What makes Nancy Solari truly exceptional? All of her remarkable success has been achieved despite being legally blind—Nancy has never allowed limitations to define her or stand in her way.

Nancy Solari is a dynamic example of living the life you desire with an empowered mind-set regardless of the challenges. Nancy has harnessed every adversity to develop unique insights and tools for approaching and solving problems. Corporations and entrepreneurs look to her to motivate employees, resolve communication blocks preventing productivity, and teach employees the power of community and creating a lasting legacy—not only for themselves but also for the company.

Keynotes, Seminars, and Workshop Topics Include:

Working Together is a Strength

Creating community, communication, and camaraderie within your corporation.

Don't Be a Business Casualty

Five elements that decide success or failure regardless of economic climate.

The Key to Expanded Productivity

Leadership training and time management skills for team productivity optimization.

Leave Your Legacy

Live in your potential, embrace your creativity, and fearlessly strive to make a difference.
